Here at Lynden High, romance lasts all year long. Love isn't confined to just spring love around here, but goes from the end of summer in September all the way to June. Love comes in all shapes and sizes at LHS. It is not just for certain people, but love is for anyone and everyone. With love, though, comes lovers quarrels and some spats in the halls. However, all fights usually end in the most favorite ritual of lovers—making up.

With the new tardy policy in effect this year, three unexcused tardies gives you 30 minutes of detention time. The policy came in effect after numerous kids were making being tardy a bad habit. The first three gives 30 minutes detention, the second three tardies gives a call home and thirty more minutes, and the third set of three tardies gives you a three day pass out of school. Overall, the kids do not seem to care a lot, but it has lowered the number of tardies. The policy is going well, and the faculty hopes the success continues.

Seniors roll in a little late. (The usual)

WHAT

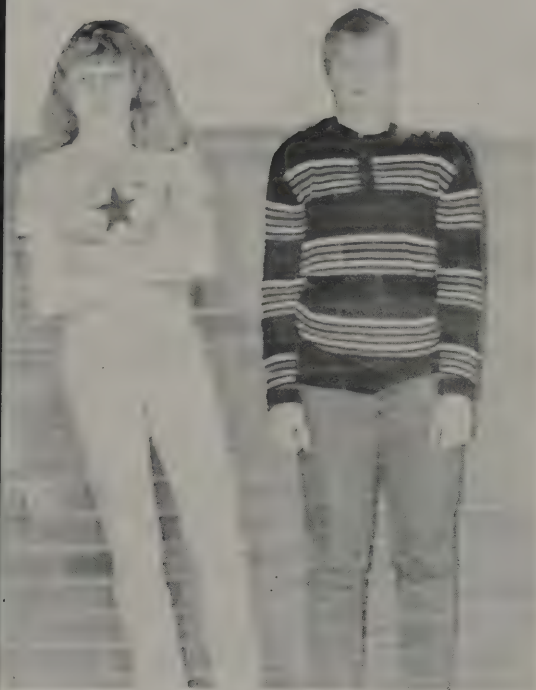

Have you ever wondered what some things would look like if they were mixed together or if people were mixed together? The Lynden High School annual staff put their brilliant minds together and thought of the wackiest ideas to show everyone. The following photos and captions are for your enjoyment, so sit back, read, and enjoy.

What if Gina Bosman, Kristi Blauser, and Jon Bright lost their licences?

What if the basketball cheerleaders had the players' legs?

What if Drue and Cindy Dickinson switched bodies?

What if the cafeteria only served pork? How is it, Bill and Daren?

IF ?

What if Rene Silva tried to imitate Mike Cowin?

What if Rob Carson tried out for cheerleader?

What if Ramiro Fuentes became a policeman? Boy, would we be in trouble.

What if Rick the janitor kidnapped Lorri McMillen?

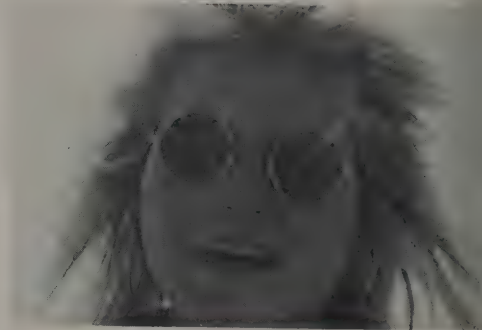

LEADERS OF THE

Leaders come in all shapes and sizes here at Lynden High School, and even some of the least likely candidates become great ones. But, whether leaders or followers, every student is a member of the 'pack'.

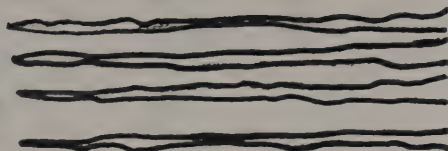

Cory, Chris, and Herb lead the way.

Hungry, Daren?

Jeremy Friesen, leader ...

Every year students pick up those usual bad habits that were passed on from the years before. These habits include: sleeping in class, always talking to someone behind you, across from you, or in front of you, and even to go as far as sniffing the Elmer's glue or glue stick. Other students prefer to pick their nose in public, during the class period, and some even do it all the time. habits due to the coldness outside and the warmth inside. The coldness brings on your basic cold, sniffles, runny nose, and cough. There's always one student who goes up front to retrieve a kleenex from the teacher and instead of blowing his nose quietly, he just blows it all right then and there. All the kids in class make facial expression and sounds, such as "OOOH", "AHHHH", "C'MON BUDDY TAKE IT OUTSIDE, WILL YA!". Then the warmth brings on your classroom sleepers, the hibernation mode of some students, and just plain old laziness. Well, the world will never be perfect as long as those "bad habits" stay around.

Lunchtime, a time to sit down, relax, and think about nothing else but eating. But, that doesn't always happen here at Lynden High. Some crazy things happen at lunchtime in the cafeteria. From food throwing to cakewalks, anything and everything could happen. The freshmen must always be on the lookout for stray

Friends in all kinds of weather

food and other objects to come flying at their table. Of course, Mr. Vannice and Mr. Kirby are always there to catch the culprits . . . Well, almost always. So, lunchtime is a time for relaxation and craziness, but most of all it is a time to eat and be with friends.

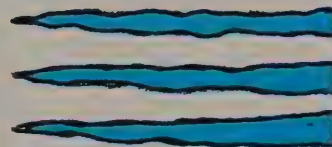

Lunch is time to "catch up" with friends

FRIENDS

Hallway

Although five minutes is not very much time to do anything between classes, the students of LHS always manage somehow to make the most of it. Between classes, many students can be seen talking to their friends, catching up on the latest gossip, holding hands with their boyfriend/girlfriend, or maybe drinking a can of coke or having a quick bite to eat.

1988 is finally here for the senior class! Graduation is like a dream come true, as the students are filled with the excitement and anticipation for the future. The seniors have worked hard toward graduation, receiving the proceeds from the concession stand and the four home

football games' dances. This, plus moneys earned since the freshman year, will cover graduation expenses. Now, the friends and memories that we have made here will be cherished as we step into the future.

The junior class had two major fundraisers this year. They started by selling Carmel and 100 Grand candy bars, which helped bring in a couple hundred dollars of profit. Next, they sponsored a dance with Nooksack that brought in 400 dollars profit. This dance would have made much

more if it wasn't for Edee and Karla giving away 30 tickets. Also, thanks to Michele and a couple of elite junior class members, flyers for the dance were put on cars at LC even though they don't permit dancing. Oh well, the juniors continue to live and learn . . .

SOPHOMORE

The sophomore class passed through their second year of high school a lot easier than they did their freshman year. They actually found out the social aspects of high school could be quite fun. The sophomore class was energetic and positive in their efforts to make this year one of their best yet. Their spirit helped to give them a fun and memorable year. The leadership of their class officers and advisors helped them to earn a considerable amount of money for their graduation in 1990.

Sophomore Class Officers: President Dan Tobey, Vice-president Kristie Kaiser, Secretary Thomas Bloomquist.

"I want to stop, Turf!"

I love the sound of money . . .

FRESH

The limbo contest

For beginners, the freshman class is slowly moving up in the world. For fund raisers we sold lollipops and then we sponsored a dance, on Feb. 12, the last dance of the year. The freshman class has learned to have good times and bad times. This year the good times were spent cheering for the lions at the football tournament, as well as at other games.

This year's frosh learned to do the limbo and crawl around on the gym floor, blindfolded, searching frantically for a missing basketball. But most of all, whether they've had all laughs or not, the frosh enjoyed the new life of high school and are looking forward to next year.

This is a different approach

Freshmen class officers: Secretary Michelle Clark, Treasurer Brian Heppner, Vice-President Amy Fisher.

ACTIVITIES

Homecoming WEEK

Hindues visiting LHS

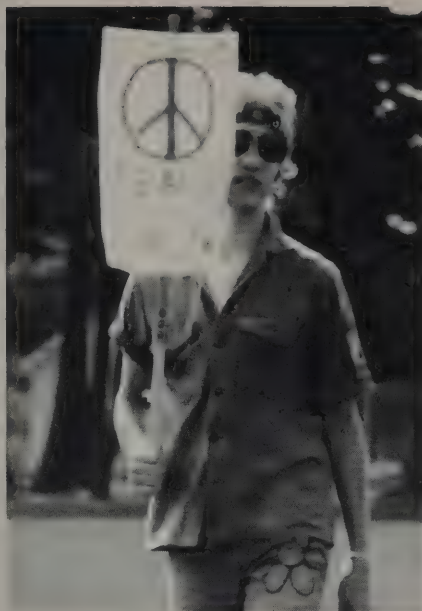

"Fun was the word to describe Homecoming Week at Lynden High School. With students dressing up all week, and juniors and seniors preparing the float, there was a lot of action happening at LHS. Troy Strong said, "The juniors and seniors worked pretty well together, and I think the float turned out great." Preparing the float took the students the entire Homecoming Week. They began by pulling a large hay wagon, which they borrowed from John Clark, to a storage building at LTI where they prepared the float. Juniors and Seniors then began to decorate it to go with the theme, "Back to Paradise." The float consisted of such things as two palm trees and a large lion on the back part of it wearing sunglasses. The float took over five days to complete, and with the help of the students volunteering their time at night, it was a great success.

The crowd anxiously waits.

"We can't wait for our first kiss."

Taking a stroll down memory lane, the past senior class royalty entered the darkened gym through a grass hut. Cousins, Landi and Shannon Tjoelker, introduced this year's nominees.

The theme "Back To Paradise" was emphasized by palm trees, a grass hut, and a background of a sunset over the ocean.

Grinning widely, the nominees were greeted by a cheering crowd. After each nominee was seated, Arnold Brickbealer and Lorri McMillen sang a duet of the song "Almost

MAS ASSEMBLY

On December 18, 1987, the senior class presented a Christmas assembly to the student body in the cafeteria.

The assembly began with Cory Plotts charading as the famed LC male cheerleader, getting the students to yell Merry Christmas in his own special way. Following this display of spirit, twelve reckless seniors got together and sang their own version of "The Twelve Days of Christmas" (theirs was titled the "Twelve Days of Wrecks"). Involved were twelve seniors who had been in at least one wreck before in

their lives. Then the seniors put on a fashion show titled "Fashion Show '88" which had senior guys dressed up like women in dresses and senior girls dressed up as men. Next, unexpectedly, a visit from Santa Claus was in store for students. John Clark put on his Santa suit and gave out friendly gifts to various students of LHS. Finally, to end the show, Troy Strong, dressed as a grandpa, told a bedtime Christmas rhyme to four little kids, played by Darrin Bode, Jason Wood, Ramior Fuentes, and Troy Dykes.

SPRIT WEEK

The Lions had a successful spirit week by defeating the Pioneers 76-54. This year, Spirit week was scheduled for February 8-12. With district right around the corner, it was a fun and exciting way to promote school spirit. The dress-up days were as follows: Monday- Bedtime, Tuesday- Cupid Day, Wednesday- Opposite Day, Thursday- Match your hall, Friday- Hawaiian Day.

Monday night the students came and decorated their halls. Freshmen, who took fourth, decorated their hall like the "cave-man age". The sophomore second place winner dressed up their hall like outer space. Juniors took third with their Western Hall. The seniors took 1st place for the third year, missing a perfect sweep, by taking 2nd their sophomore year. They feel they got ripped! The senior hall was decorated like the 50's. While walking through the halls, it didn't even seem like the old Lynden High School we know and love. It was filled with colorful posters and decorations.

This year's Sweetheart Assembly was a great success and terrific entertainment for the students of LHS. There were 19 categories varying from the traditional "Sweethearts", to the "Hottest Car", the the "Best Rear-View". Three finalists from each category, male and female, were voted on by the student body and announced during the assembly. Also, during the assembly, there was an All-New Newly Dating Game consisting of couples- Mike Cowin & Deanna Stauffenecker, Mylon Smith & Shannon Cramer, Mike Thomas & Dawnetta Crabtree, and Troy Strong & Tracy Bloomquist. The band "Backstage Pass" played a few songs for the students at the assembly, and the band featured Lynden High's own Peter Wezeman on electric guitar. Overall, the Valentines Assembly went very well.

Washington

History and government classes came alive for the 47 students, teachers, and chaperones who visited Washington D.C. from March 14-18.

The groups first visited Williamsburg, Virginia, a restored colonial city and Monticello, the home of Thomas Jefferson. Then they traveled to Washington D.C., and visited the White House, Capitol, Supreme Court, FBI, National Archives, and the Smithsonian.

Highlights of the trip were laying a green and gold wreath at the tomb of the Unknown Soldier, and attending the play 'Elmer Gantry' at the Fords Theater.

Cheer Tryouts '88

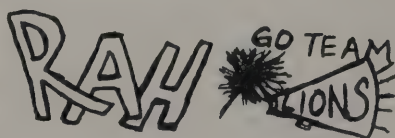

Tracy explains the procedure.

Shaky knees, sweaty palms, and rapid heartbeats are what makes up an average cheer tryout. Many anxious girls practice for a week, until finally the big day comes. Each girl is required to do a group cheer and individual cheer. Cheerleaders trying out for varsity also perform a dance made up by the senior cheerleaders. Football winners were: Cindy Robson, Kristie Kaiser, Carmen VanderWerff, Kim Scheffer, Edee Cummins, and Jenny VanderPloeg. Basketball winners were: Edee Cummins, Annette Davy, Nikki VanOrnum, Cindy Robson, Tami Parriera, and Kim Scheffer JV Basketball: Mindy Kaiser, Shannon Brilhart. JV Football: Amy Fisher, Nicki Perreault.

"RUN!" is one word anyone would hear as they walked into the gym during volleyball practice.

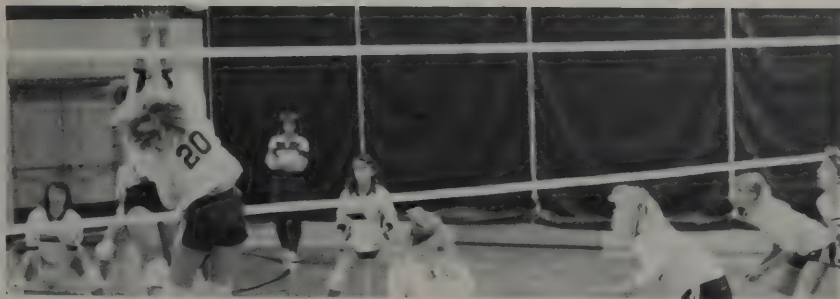

The Lions started out with a young and inexperienced team, losing six seniors last year. The beginning of the season was a little shakey at first, but with a lot of hard work, they got it together and had a great season.

The team's league record was 7-3, giving them third place in county, and earning them a place in the district tournament.

The Lions took second in district, by first beating Lakewood in two games, and then defeating Nooksack 13-15, 15-13, and 16-14, to take them to state!

State in Kennewick, went well. The girls played a lot of games and worked harder than ever. Friday night the Lions were playing in a tie-breaker which ended close to 1:00 a.m. The Lions finished the tournament seventh in state.

Krista Vander Yacht and Karrie Eshuis made the all-county first team and Karla Dykstra, honorable mention

CROSS Country

"Another 100 yards to go and then it's over." So thinks Jeff Vankleeck as he scopes out the finish line at the end of a three-mile cross-country run. This year Jeff broke five record times and won third in the state championship with a time of 15:34. Other members of the Lynden boys cross-country team did well also, and our girls team went to state for the first time as a team. The girls top runner was Donna Baldwin who got 34th in state. The girls team as a whole did very well and got 7th in state.

The future looks bright for Lynden's cross-country program as both teams will only lose four runners.

FOOTBALL '87 * (FOOTBALL '87)

Nooksack, L.C., and Mt. Baker football teams were pretty tough. But, Meridian and Blaine were even a bigger pain. Tutre was Lynden Christian at homecoming with a victory which was quite stunning.

We had a close game with Blaine, But hey! a win is a win, why complain Meridian made our first game a flop, but after that, we were the cream of the crop.

We were suppose to lose to Mt. Baker as the news papers told. Although, no one could whip the mighty green and gold.

The Lions fought like dogs, in a close game at Nooksack in the fog.

After a winning season of 8-1, it was on to state for the Kingbowl run.

All the victories at state made things feel like heaven, up until the defeat at Kingbowl Eleven.

In a locker room that sounded more like a library, Troy Strong was asked to assess the mood of the Lynden Lions after their 21-12 heartbreaking loss to the Ephrata

STATE

Tigers in Kingbowl XI. "Championship games and chances at state championships do not come around too often," the senior tight end said. "You look back and think there was something better you could have done. We were a better team." Lynden fought hard in the so-called 'Battle of the Jungle,' but ran into some deep trouble with some pass plays that dug them an early grave. After taking the county championship, the Lions advanced to the state playoffs against Montesano at Centralia High School. The Lions won 21-14 and advanced into the quarterfinals against the Jumper-led Eatonville Cruisers. After beating Meridian, Eatonville thought they were ready

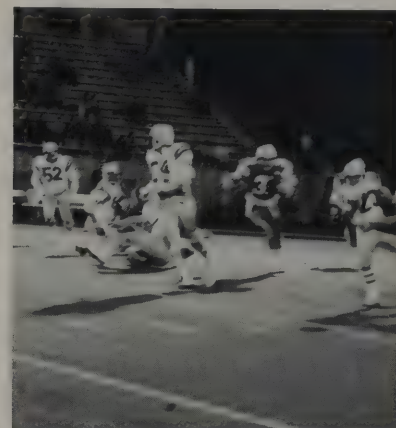

for the task of beating Lynden, but ran into what we call "Jumper Thumpers." Brandon Jumper was held to 12 yards on 8 carries and was forced to leave the game in the 1st half with a deep thigh bruise, thanks to the Lion defense. The Lions won 27-16 and were on their way to the semi-finals in the Tacoma Dome against Forks. Lynden licked Forks 28-10 with the help of a 94 yard interception return for a touchdown by Doug Clark late in the 4th quarter. The Lions continued on to Kingbowl XI and the heartbreak loss to Ephrata 21-12. Thanks for memories, you guys are #1 in our hearts.

The wrestling team had a great year. They won about half their matches, which is quite exceptional since it was the toughest county in the state due to Blaine and Mount Baker. They attended 4 tournaments this year, including the Lynden Invitational where they placed second, the Willapa Valley Tournament, where they placed third, the Whatcom County Invitational, and Bellevue Christian Tournament,

where they took first. Barrie Salmonson and Bunthy Chunphakvenn made it to the Regional Tournament in Lynnwood and Barrie made it on to the WIAA State Wrestling Tournament, where he placed third.

This year's team went farther than any other girls team has in history of Lynden basketball. The girls, 9-6, were picked to place 5th in the Whatcom County League by many sportswriters and set out to prove them wrong. Behind the leadership of seniors, Krista VanderYacht and Landi Tjoelker, the playmaking of guards, Cindy Dickinson and Karla Dykstra, and the inside play of Karrie Eshuis, the lions overwhelmed the league and went 9-6 placing third out of six. That entitled the lions to a district berth and a first-round meeting with the Cascade League's #2 team, the South Whidby Falcons. Due to district jitters and an unforgettable first half, the lions were defeated by the score of 60-35. However, the Lynden team did not die early, as they came back to defeat Sultan 45-41 and won a thrilling overtime game over Kings 43-40, to put them in the 3rd place game for the last and final berth to the state tournament in Tacoma. Their opponent was, once again, the South Whidby Falcons, and the Lady Lions were ready for them. They fought long and hard and forced the Falcons into overtime before coming up on the short end of the stick, in overtime, 46-45. Coach Mark Matthiesen and assistants Ross Boice and Dwight Groves were very proud of this year's girls and are looking forward to future success.

Boys Basketball

This years Lynden Basketball team had a very successful season. They finished their WCL schedule with 11 wins and just 4 defeats. The three seniors were Ryan "Mailman" Monson, and co-captains, Troy "Pinky" Strong, and Jason "Magic" Wood. The juniors were Dan "the Man" Parcher, Torrey "The Aqua" Lautenbach, Ryan "Hillbilly" Hope, Craig "Onion" VanZanten, Tim "The Fin" Goering, Chad "Yo Baby" Martin, and Doug "The Slug" Clark. The two freshmen rounding out the varsity 12 were Brian "Schweppner Tonic Water" Heppner, and Derric "Curly" Croft. The team entered the district tournament as the #2 seed out of Whatcom County. Their first game was against the Cascade Leagues #3 team, Lakewood Cougars. The Lions prevailed by 15 points and then faced #1 Bellevue Christian for the winner-to-state game. Lynden unfortunately came up on the short end of the stick by just 5 points, 42-47. Then, Lynden faced Kings in a loser-out game, and Lynden won in overtime 74-66. In the 3rd place game for the final berth-to-state, Lynden beat Lakewood for the second time, 43-40, and the Lions celebrated all the way to Tacoma.

State BASK

Once again, our lions squeaked into this years state tournament in Tacoma for a record 18th appearance. Fresh off the district victory over Lakewood that put Lynden into state, the lions were fired-up and ready for some action at the Tacoma Dome. The lions unfortunately drew #1 rated Highland in the first round of state. Our unranked Lynden team battled hard and at one point had a six-point consolation game with Castle Rock. Lynden defeated Castle Rock 60-55 and advanced to the next round against the Prosser Mustangs. Lynden opened up the game extremely well and held a 12 point lead at halftime. The Mustangs roared back in the second half and defeated our lions 58-55.

Practice makes Perfect.

BALL

Nice cut Jay!

This years baseball team finished the season with an 8-2 league mark that was good enough for the Whatcom County League Championship. The overall record was 15-7 which included a 2nd place finish at the Lynden Spring Invitational Tournament; a 3rd place finish at the Columbia Burbank Tournament, and finished the season with a fourth place finish at the District Tournament, but unfortunately, it was not good enough to move on to the Regionals. Coaches, Mark Matthiesen and Rollie DeKoster, were real happy with this years squad, but they hoped they would have gone a little farther. Good Luck next year Lions!!

TRACK

This year's track team was very competitive in league, district, and state. There were many young kids on the team and they still faired well despite their young age. Seniors Jeff VanKleeck, Darrin Bode, and Tracy Shine did well at the District Tournament and went on to state along with freshman Tonya Holleman. Darrin and Tracy did not place in the high jump, and Jeff placed 4th in the 1600 with a new school record and 3rd in the 800, while Tonya received 6th place for her effort in the javelin. Coaches Leon Golden and Bob Carson hope for continued success in the upcoming years.

This year's student council has been very active. They have tried many new things and ideas. Some worked, some didn't but they weren't afraid to drop it and move on. They were responsible for Lynden High's first-ever blood drive, the food drive, the new community calendar, and various assemblies. They revised the constitution, reinstated the chess club, and organized the first school barbecue. Every member had a chance to represent their class, and give input. The job they did was awarded with the First Annual Student Council Rodeo and Pizza Party, at entertainment director, Landi Tjoelker's house.

Council & Elections

TORCH CLUB Made up of 36 members, the Torch Club consists of sophomores, juniors, and seniors with a 3.5 or higher accumulative grade point average. This year, 16 of the members traveled to Boeing's Paine Field for a fun trip which included shopping at the Alderwood Mall beforehand. Candy bars were sold to pay for the trip. 13 seniors will graduate with honor cords and will attend a Lynden Kiwanis awards banquet where they will receive a certificate to reward 4 years of outstanding GPAs. Officers this year were President Landi Tjoelker, Vice-President Edee Cummins, and Sec/Treasurer Teresa Otter.

FFA CLUB This year's club, headed by Mr. Aultman, sponsored many activities. In March, they held the Grub Tolo. This was followed by FFA week, which got many students involved. In April, the FFA members held a "Baby Animal Farm" for the students in the Fisher Elementary School, much to their delight. During Christmas the club sold poinsettias and at Easter sold Easter lilies. Officers were President Duane Vis, Vice-President Natalie Maxwell, Secretary Craig VanZanten, Treasurer Jeremy DeJong, Sentinel Torrey Lautenbach, and Reporter Tobyn Cochrane.

FBLA CLUB The future Business Leaders Of America contributed their time and effort taking tickets at the football games and working in the concession stands at the basketball games. Their annual dinner was held at RB McGregors in December with their advisor, Mrs. Wascisin. Members include (above): Chesea Weiland, Casey McCormack, Sheila Luna, Karma Bosman, Kristin Hansen, Michelle VanderMey, Annette Davy, Nikki VanOrnum, Edee Cummins, and Karla Dykstra.

FHA CLUB This year the club's annual candy sales raised money for the Children's Orthopedic Hospital, which they visited on April 19. The Sweetheart Assembly was another great success under the supervision of advisor Paula Andres. Officers this year were President Mindy Jansen, VP Tracy Bloomquist, Sec. Kristi Blauser, and Tres. Landi Tjoelker. Members include: Seana McSorley, Angela Gerritsen, Scott Tjoelker, Wendy Cowell, Tracy Shine, Heidi George, Terri Bates, Donica Holman, Sally Dodds, Landi Tjoelker, Mindy Jansen, Lorri McMillen, Teresa Otter, and Treena Frazier

LETTERMAN'S CLUB L club consists of students who have lettered in a varsity sport. They nominate homecoming nominees and plan an L-club barbecue which is held in the spring. Playing volleyball, softball, and eating lots of burgers makes up a fun and exciting day for these members. Thanks to the L-club, our extra-curricular activities are #1 in the state.

KNOWLEDGE BOWL These teams are made up of five students who have a general interest in art, math, science, history, and literature. Competition this year was tough and many of the members were recognized for their achievements. Members: Kelly Dahl, Mike Maas, Steve Petersen, Rob Brim, Jennifer Brooks, Wendy Cowell, Sally Dodds, Melissa Petersen, Mark Schaler, and Gary Fairall

BAND

The music department started off at a quick pace. The band was chosen to dedicate the new Lynden border crossing on Sept. 25. Four home football games and twelve home basketball games kept everyone busy. The Christmas season was festive. On December 5 the band was in Lynden's Sinter Klaus Parade. On the 11th, Christmas carols were played at the senior center. The Bellingham Mall was entertained by the band on Dec. 16th. The following night was the annual Winter Concert. For a "Change of Pace", a few people from the band and choir attended an Honor Festival in Mt. Vernon and Sehome in March. Everyone who earned a letter in band and/or choir received it and other numerous awards on May 18. Band attended the Ski to Sea Parade where they received first place. The band ended the year marching in the Farmer's Day Parade. The graduating seniors in band and choir wish to say thanks for a great time and good luck in the future. Remember the fun-meter!

The ski club traveled to Mt. Baker several times this year. The main event once again was the annual ski trip. On the weekend of March 11-13, a group of 14 students and three chaperones traveled to Mt. Bachelor. This year, instead of a charter bus, the group rented a van. The group arrived at the school, where they slept, at 2:30 a.m. They woke up at 6:30 and skied all day. Pizza was an entertaining meal on Saturday night. Movies were watched

CLUB & TRIP

International club gives students the opportunity to expand horizons and to make friendships. The club provides a support group for our own exchange students and sponsors an International Week-End in the spring. This year, May 5 through 7, students from Japan, Germany, Mexico, Indonesia, Spain, Sweden, Denmark, Australia, Brazil, Finland, and Norway were represented. Exchange students and hosting LHS students enjoyed a school day together on Friday, May 6 with bowling and a potluck social in the evening at the home of Rick Alaniz, club member and host student. On Saturday, students enjoyed a beautiful sunny day after a week of rain, including a ferry trip, bus ride with Pacific Coachlines through some beautiful parts of Victoria, and a day of sightseeing and shopping in downtown Victoria.

FOREIGN E

My first day at Lynden High was pretty scary for me. It also made me feel pretty stupid since I couldn't understand what those teachers were talking about. The first time in Algebra, he gave me the test. I thought only people on the radio could talk so fast, but Mr. Nelson comes pretty close. But now after seven months, I must say that I really do enjoy Lynden High School, except for the mass of homework, of course.

I had to discover that American students are not that different from German students. They are a lot of fun, especially when, they take curious and innocent foreigners out to T.P. a house. The German youth really missed out on that one, but now I can go home and tell everyone.

Vanessa Tuttlies

To describe a year in one paragraph is as hard as making up "the Mile" on a rainy day, so I don't really know where to take off

I had a pretty bad beginning at this school- I bumped into the wrong classrooms, got lots of tardies and flunked my tests, but I was told not to worry about it because that was perfectly normal for kids in High School! . . . After awhile I got used to the system, and now I really enjoy it, especially the way everybody can get involved in anything, which makes it so much more than "Just" a school.

Trine Andersen

Showing us where home is; from left to right, Randi Rohjell, Vanessa Tuttlies, Trine Andersen, Elisabet Wallin, Charlotte Krarup, and Haavard Indreboe.

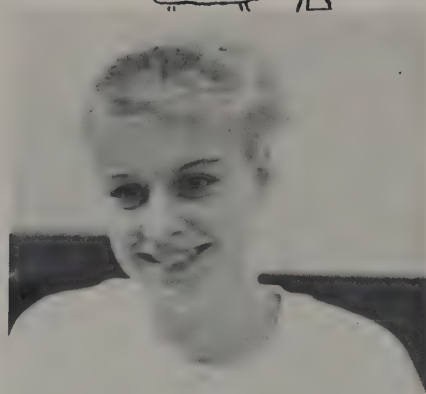

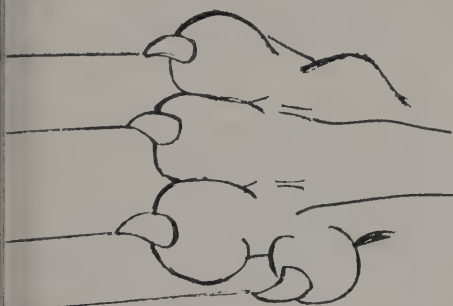

During my stay in Lynden, I learned how it was to live here, and that there isn't much to do here. If you want to go out, you have to go to Seattle or Canada. I went here for this year to learn the language, and to get away after my graduation.

I had fun here, and I will probably come back in about two years for a vacation. I had fun on the ski trip, and all the other trips I went on. I am glad I went to school here for this year, and I got to know you all. I will miss you guys. Love, Randi Rohjell

XCHANGE

LYNDEN

Lynden High School must be one of the better ones in Washington State! As the year has gone by (almost too quickly) I really feel that Lynden High is my school and I'm proud of being "a Lionette". I have had so much fun this year. To go to state in volleyball was a great experience and something to tell friends back home. To turn-out for track was the best thing I could have done in the Spring. We have such good team spirit and I have some of my best friends in track and that makes it even better. I will always remember the formal tolo in December, "We had Fun, Cory!"

Elisabet Wallin

This year at Lynden High has been a great experience. I really enjoy going to school here, even though it is very different from what I'm used to. I think the many activities in and after school make the year more interesting. In the fall, I had so much fun to go the football and basketball games. Especially the Kingdome was great.

The International Club is also interesting, to participate in. I'm really glad we're so many exchange students, because we can interchange experiences.

It is going to be hard to leave this summer. I just realized how fast a year goes when you have fun. Charlotte Krarup

My year as an exchange student at Lynden High School is near the end. And it's kind of sad to realize that I soon have to leave all my friends that have helped me in making this a great year. I'll miss you all.

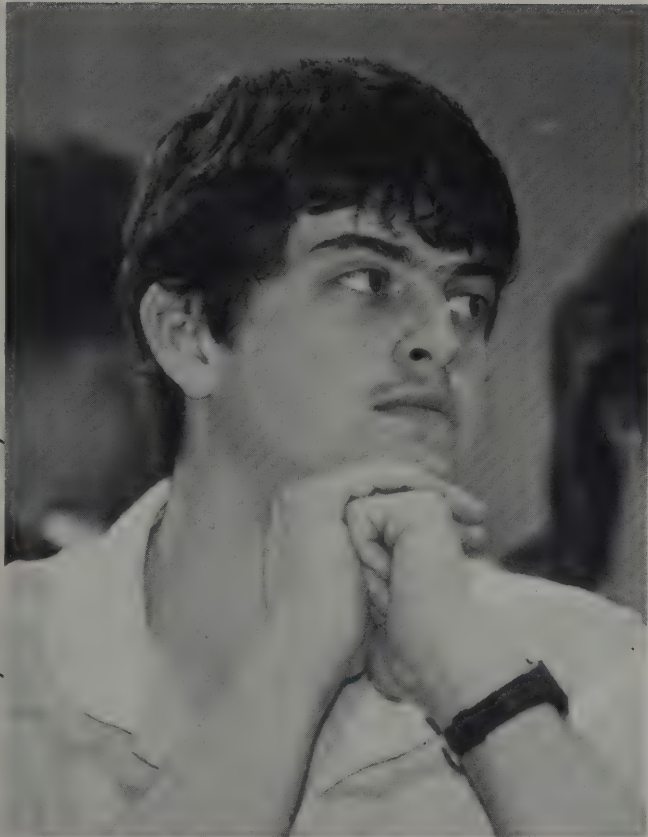

It has been a different year with lots of experiences and fun. I've learned a lot about the American culture, people, and their customs. I've also got to travel a lot during my stay, and I've visited several states. I'm also going to Hawaii for a week before I go back home, and I'm sure that will be even better.

I've also had lots of fun together with my nice host-parents. The have been just great. I'm sure that this year will remain one of the best times in my life, a year I will remember with happiness.

Haavard Indreboe

SENIOR ACTIVITIES

Saturday night, April 23rd, was the night of the jr./Sr. Prom and it was one fun-filled evening. The band was Backstage Pass featuring Lynden High's own Peter Wezeman on lead guitar. The dance lasted from 9:00 pm until 12:00 and pictures were from 9:00-10:00 pm. Many couples arrived at the school to dance their hearts away with memories that will last forever. The prom was great and as Mindy Jansen and Troy Strong put it, "It was the time of our lives!"

"I would rather be showing a video"

The senior skip was once again at Moran Park, Orcas Island. Students left school at 8:30 am, arrived at McDonald's at 9:15, and then reached the Anacortes ferry at 10:45. The crew of seniors and chaperones finally reached the park at 1:00, and that is where the fun began. First, a co-ed touch football game was played. After that, things started to get uneasy, and everyone changed into shorts. The annual water dunking contest had begun, and everyone got thrown in one at a time. Even the chaperones got their turn, starting with Terry DeValois. He was quickly followed by 10 senior guys with Mr. Kirby held high above their heads. Other chaperones who got some unwilling swimming lessons were Stan Stuurmans, John Wood, John Clark, and Mrs. Wascisin, who got a 30-gallon trash can full of water dumped over her head. Someone's top to her bikini was lost earlier on the trip, and it was a freak coincidence that it was lost again later in the day. The ride home was entertaining, with Dariin Bode yelling "My Gosh, We're Sinking!!!"
